

1: GENERAL LIVING CONDITIONS FOR EXPATRIATE STAFF IN IRAN

This report provides information for expatriates visiting and based in Iran to better understand the infrastructure and general living conditions in the country. It is updated annually and provides a source of reliable and up-to-date information. The areas, which have been covered in this report, are:

- Iran at a glance
- People, language and religion
- Economy
- Persian and Islamic Calendars
- International Schools
- Healthcare
- Housing Issues
- Communication
- Transportation facilities
- Recreational facilities
- Sports
- Restaurants
- Hotels
- Security Risks
- Important information for foreigners

2: LABOR AND EMPLOYMENT

This report is designed to furnish clients already active or intending to initiate an activity in Iran with basic but useful knowledge of the diverse issues concerning labor and employment in Iran. The material presented in the report should be understood as an introduction to key issues and challenges and not as an in-depth examination of the governing laws and regulations. The main objective of this report is to provide readers with useful information essential to avoid hassles, implications, or penalties that may emerge in the absence of the insight and familiarity to deal with various legal authorities as well as employees.

This report is updated on an annual basis and discusses the following issues in detail:

- General Demographic Profile and the Labor Market
 - Active Work force
 - Share of women in employment
 - Unemployment and Underemployment
 - Literacy, Education and the Human Resource Base
 - Distribution of income
- Legal Aspects of Employment in Iran
 - Contracts (the components)
 - Remuneration / Salary and Compensation Packages for Local Staff
 - Holidays and Leave
 - Termination of Employment/contract
 - Social security
 - Legal Support for women workers
 - Tax and Levies
 - Mission and Overtime
 - Income tax (the tables)
 - Issues Concerning Expatriates' Employment in Iran

3: TRANSPORTATION SAFETY REPORT

This report addresses transportation infrastructure and road safety issues faced by international companies in Iran. It offers very specific information for expatriates who are based in the country or just visiting to better understand the logistical and safety dimensions of transportation in Iran. It is structured to make companies and their staff members aware of the realities, risks and challenges in transportation in Iran. The report covers the following topics:

- Planning your trip to Iran
- International and local airlines in Iran
- Domestic aviation & railway conditions (fleets, strengths & weaknesses)
- Public Transportation (Taxi, Bus, Metro...)
- Traffic and transportation
- Maps, hotlines and general tips
